Time	Session	Presenter	Description
8:30 - 9:45	Technical College Legal Issues: A Faculty Perspective	Charles Boykin <i>SC Technical College System</i>	Mr. Boykin will discuss legal obstacles faculty members are concerned with on an everyday basis. Some of the issues Mr. Boykin will discuss are what constitutes academic freedom, administrative ownership of scholarly work, faculty-student discussions in the classroom, and binding language of a syllabus.
10:00-11:15	Active Shooter Training	Sgt. Shane Prince <i>Florence County Sheriff's Office</i>	This training is based on the Homeland Security model of "Run, Hide, and Fight." A brief history will be given of active shooter incidents that have occurred across the country. Faculty members will have the opportunity to engage in a question and answer period so that facility based issues can be discussed. All faculty members need to keep in mind that every location has different options to help protect people better, and we will discuss what those options may be for your institution.
11:30 - 12:00	Academic Highlights	Dr. Suresh Tiwari	Academic Affairs and Student Services Updates
12:00 – 1:30	Lunch On Your Own		
1:30 -	Faculty will return to their perspective departments at 1:30 pm.
